Owner's Comments

The owner's words: I am selling my BOARNCRUISER 365 NEW LINE motor yacht, a very comfortable vessel with a steel hull, specifically designed for leisure and canal cruising. It features a very spacious aft owner's cabin with a bathroom, electric toilet, and separate shower. Its main saloon with upper lounge and lower galley offers a living space above average for yachts of this size. The lower saloon converts into an additional double berth. The interior of the boat benefits from numerous storage spaces. The exterior provides a very pleasant covered helm station, an aft deck with bench seating allowing for the addition of a table and chairs, and a fore deck that can be used as a large sunbathing area. 1 x Stainless steel tank for potable water: 400L. 1 x Steel tank for diesel: 400L. 1 x Steel tank for black water: 250L. I am the fourth owner of this BOARNCRUISER 365, which came from the Netherlands with the previous owner who used it in the Gulf of Morbihan in France. I need to part with it as it doesn't quite match the use I thought I could make of it. It will be hauled out on September 29th if you wish to take advantage of this opportunity to inspect its underwater hull. Please click on CONTACT for more details. Don't forget to watch the video attached to the ad. See you soon.

Limitation of liability : XBOAT presents the details of the boat as supplied to us by the owner.

Owners may make errors or changes without notifying us. This information is not contractual and does not bind XBOAT in any way. It cannot be opposed by a visitor or a buyer.
