Owner's Comments

This very fine proprietary version of the PRIVILEGE SERIE 5 with 4 cabins and 4 heads is refined and contemporary with its satin-finished oak joinery and grooved floor. The U-shaped galley is separated from the saloon by a bar counter, the chart table is easily accessible via the large stainless-steel sliding door that separates the cockpit. The central owner's suite forward offers generous volumes with a separate large shower and its head. Two double cabins occupy the stern, while a 4th cabin portside forward often serves as a storage area.] [Teak grating for the cockpit, 2 white lacquered aluminum davits aft with the fixed platform, the cozy skirts, the cockpit with its large telescopic table and its spacious benches attest to fine finish and promise great comfort.] [The equipment is complete: gennaker, solar panels on fixed arch, generator, air conditioning, watermaker, in short a well-thought-out unit for maximum comfort; the electronics are no exception, and many spare parts will meet your needs.] [Video viewing available on simple request.] [The vessel is available immediately, in Portugal; the owners will soon set sail on their new multihull for a fresh programme!
