Owner's Comments

I am selling my Sun Légende 41, a legendary sailboat by Jeanneau, known for its solidity, its speed upwind and its comfort at sea. An endearing, reassuring boat, which has always been carefully maintained and prepared to sail far away. This 12.25 m model offers a perfect balance between performance and comfort on board. The hull is healthy, without osmosis, confirmed by recent expertise. Life on board The boat has 2 beautiful cabins, a friendly saloon, a functional kitchen and a pleasant bathroom. Up to 6 comfortable beds, plenty of storage and a large water capacity (600 L), ideal for cruises with family or friends. A reliable engine The Perkins 50 HP runs perfectly. Many elements have been renovated or replaced recently: shaft line, silent blocks, stuffing box, stainless steel exhaust, starter, etc. You leave with peace of mind. A very complete sail armament The sail is recent: Mainsail + genoa (2020) Staysail (2023) Gennaker + asymmetrical spinnaker (2022) The boat sails quickly, even in light weather, and remains very stable. The cockpit is deep, safe and pleasant at anchor. Modern equipment Complete Raymarine electronics, AIS, fixed + portable VHF, robust pilot, Navionics mapping, electric windlass... Everything for comfortable sailing. Reinforced autonomy With 3 recent solar panels and new batteries, the boat lives very well at anchor. Ideal for those who want to travel without depending on ports. Recent works New valves + through-hull fittings (2025) Refurbished shaft line (2025) Modernized electrical installation Boat ready immediately for new projects. Viewable by appointment. A great opportunity if you are looking for a reliable, seaworthy sailboat already ready for the open sea.

Limitation of liability : XBOAT presents the details of the boat as supplied to us by the owner.

Owners may make errors or changes without notifying us. This information is not contractual and does not bind XBOAT in any way. It cannot be opposed by a visitor or a buyer.
