Owner's Comments

Used PRIVILEGE 585 for sale - a Safe Bet in a Confusing and Diverse Market.

Discover the PRIVILEGE 585, a high-end sailing catamaran built in only 24 units. Renowned for its quality of construction, meticulous finishes, and long-term durability, this iconic model remains a safe bet in the luxury catamaran market.

Unique design and high-end amenities

This used PRIVILEGE 585 offers an original and practical layout with 4 double owner cabins and 2 bunks for the crew. Its elevated kitchen, open to the saloon, creates a bright and convivial living space. The two large refrigerators are located in the starboard passageway, and the rounded saloon, equipped with a telescopic table, retains its original beige leather bench, offering a warm and refined atmosphere thanks to the mahogany finishes typical of PRIVILEGE.

One of the rare assets of this model is its rigid hardtop, much more practical and resistant than a simple stainless steel canopy. This secure cockpit ensures perfect visibility and optimal protection, even with a reduced crew.

Some refurbishment work is to be expected, notably on the teak and standing rigging, which contributes to an attractive selling price, ideal for a buyer looking for an excellent opportunity.

Performance and Equipment

Used exclusively for private use in the Mediterranean, this PRIVILEGE 585 catamaran is winterized each year in Tunisia by its current owners. It is powered by 2 Yanmar 160 HP engines.

The main equipment on board: 2 generators, 2 desalinators, solar panels, 2 autopilots, a large Hydranet mainsail from 2021, a reversible air conditioning...
