Microwaves: Yes
Electric stove: No
Heating details:
Dishwasher: No

TV: No

IceMaker : Yes Oven : Yes Gas stove : Yes Heater : No

Washing machine: Yes

TV antenna : No SAT-TV : No

Owner's Comments

LAGOON 450 FLY We purchased this catamaran new in 2015, providing us with over 10 years of pleasure on board. Seaworthy, comfortable, and very well-equipped, it has proven to be an ideal travel companion. Annual maintenance is carried out, and in 2021, we had the rigging inspected during a de-masting. In 2023, the hulls underwent aerogommage followed by a preventative epoxy treatment. We also installed an AIS transceiver last year. All cockpit covers were replaced new in 2024 (completing the micro-perforated condition covers) as well as the Quick 1700w electric windlass. The trampolines were replaced in 2021, and the four black water tanks are treated each winter. A unique feature is the conversion of the starboard bow into a head. Additional videos and photos available upon request.
