Owner's Comments

Grand Banks 36 Classic After many years of sailing on our Grand Banks 36, we wish to move up to a larger size. All this time, it has given us complete satisfaction, be it its seagoing qualities, its onboard comfort or its exceptional frugality (9l/h for both engines while cruising!). Over the years, we have carefully maintained it. Propeller shafts, cooling system, reversers, stuffing boxes... almost everything has been reviewed or replaced. We are die-hard fans of the Grand Banks universe, and to top it off, we have naturally taken care to preserve all the original interior furniture."
