Owner's Comments

OCEANIS 44CC I've been sailing on my faithful Oceanis 44CC for nearly 20 years now, and I must say it has fulfilled me so much that I would be quite troubled if I had to find a replacement. Unfortunately, all good things must come to an end. Perfectly equipped for long-distance cruising with a reduced crew or even solo thanks to its electric Harken winches, it even has a mini washing machine, quite handy at times. With the desalinator and solar panels, you will be almost entirely self-sufficient. Two large 240ah gel service batteries were installed last year. Also, there is an AIS... and many other things! Oceanis 44CC
