Owner's Comments

sold for family reasons, this Oceanis 393 is the perfect cruiser capable of meeting all your travel plans, whether for coastal or offshore sailing. It is fully self-sufficient at sea and at anchor, thanks to its solar panels for energy assistance and its watermaker for complete independence in freshwater supply. It is also equipped with a blackwater tank to meet environmental requirements. This is the 2-cabin version, offering maximum comfort at sea and at anchor with its owner's cabin featuring an offset double bed and an en-suite head. The saloon is generously lit by numerous deck hatches, and the chart table is ideally positioned facing forward with its navigation instrumentation. The spacious and comfortable cockpit is well protected by a companionway dodger and a bimini, both with canvases in perfect condition, as well as clear panels providing excellent forward visibility. Engine services are up to date, the rigging is well-sized and of high quality. The berth may be transferable. Offers are welcome after viewing.
