Owner's Comments

MOODY 47 With an exceptionally high-quality central cockpit, this MOODY 47 has benefited from consistent maintenance since its launch from the shipyard in 2004. Equipped with new electric furling systems and winches as well as a self-tacking staysail, it can take you across the globe with comfort and safety. Nearly new liferaft and dinghy, air conditioning, heating, watermaker-everything is in place to enjoy maximum comfort and peace of mind while sailing or at anchor, with its hydraulically retractable swim platform whose hoses have just been replaced.
