Owner's Comments

SEA RAY 580 SEDAN - 2004 3 CABINS - 2 HEADS - FLYBRIDGE - 2 x MAN 875 HP This 2004 Sea Ray 580 Sedan Flybridge is exceptionally well configured and maintained, offering a remarkable level of comfort for cruising and onboard living. This Sea Ray Sedan 580 Flybridge is powered by two MAN 875 HP engines, totaling approximately 1,300 hours, and features a highly comfortable layout with 3 double cabins and 2 heads, each with a separate shower. A FLYBRIDGE THAT MAKES ALL THE DIFFERENCE The true highlight of this Sea Ray 580 lies in its particularly spacious and comfortable flybridge. Designed as a genuine outdoor living space, the flybridge provides an ideal setting for enjoying navigation, dining onboard, entertaining guests, or simply relaxing at anchor. It is equipped with a hardtop and removable side curtains, allowing it to be fully enclosed, and also features air conditioning with both heating and cooling, making it a complete space available in all conditions. Its generous space and convivial layout make it an exceptionally pleasant area to live in. The elevated helm station also offers an excellent position for fully enjoying navigation. On a Sea Ray 580, the flybridge adds an extra dimension to onboard comfort and allows you to enjoy the boat both while cruising and at anchor. AN IDEAL LAYOUT FOR CRUISING Inside, the Sea Ray 580 Sedan Flybridge offers ample volumes and a layout particularly well-suited for onboard living. The configuration includes 3 double cabins, comfortably accommodating family and guests, as well as 2 heads with separate showers, a particularly valuable feature for extended cruises. The interior spaces are complemented by a convivial salon and a galley, allowing you to fully enjoy the boat independently. MAN ENGINES The propulsion is provided by 2 MAN engines, each with 875 HP, totaling approximately 1,300 hours of use. This engine setup gives the Sea Ray 580 the performance and comfort needed to fully enjoy its cruising capabilities while maintaining the expected level of comfort for this type of vessel. COMFORT AND EQUIPMENT The Sea Ray Sedan 580 is equipped with a full range of features, allowing for carefree onboard living and multi-day cruises: Complete helm station on the flybridge Air-conditioned interior salon Fully equipped galley with a new drawer-style fridge, freezer, and microwave Zone-controlled air conditioning with heating and cooling Generator Complete navigation equipment (radar, plotter, depth sounder, GPS, etc.) Numerous storage spaces Washing machine A COMPLETE AND HIGHLY COMFORTABLE BOAT This 2004 Sea Ray 580 Sedan Flybridge stands out for its particularly comprehensive configuration, excellent cruising potential, and above all, the quality of its outdoor spaces. The flybridge of the Sea Ray 580 Sedan serves as a true extension of the salon, offering a privileged space to enjoy the sea in exceptional comfort. With its 3 double cabins, 2 heads with separate showers, MAN engines (2 x 875 HP), and full equipment, this Sea Ray Sundancer 580 is a vessel perfectly suited for family or friends cruising, as well as for those seeking a boat that allows comfortable living onboard for several days or weeks. A well-maintained, comfortable, and exceptionally well-equipped Sea Ray 580 Sedan Flybridge, worth discovering to appreciate the quality of its spaces and its remarkable flybridge.
