SAT-TV : No

Owner's Comments

This 2021 PRIVILEGE Signature 510 has undergone a thorough customization. In cherry wood finish, the galley opens onto the saloon, featuring a telescopic table and L-shaped settee, offering a magnificent forward view, while the chart table is highly functional and easily accessible from the cockpit. The owner's suite is splendid and spans the full width of the catamaran. The large bed on the bow faces its flat-screen TV, while on the port side there is a desk and dressing area, and on the starboard side, a beautiful bathroom with a double sink, private shower, and separate toilet. The entire space is bathed in light. 2 other double cabins occupy the aft, with a private bathroom on the port side featuring a shower and separate toilet. Numerous storage compartments equip the starboard side. Mast in black lacquer with a canoe boom, blue lacquered hull, black superstructure, teak-latted cockpit and side decks, high-end black sails, KALMAHE exudes unmatched elegance and refinement; equipped with lithium batteries, reversible air conditioning, an 11kW generator, and a dual electrical circuit with 110V 60Hz and 220V 50Hz, tailored for the US market. Externally, the cockpit is well protected by the hardtop and the carbon bimini extension, with easy access to the helm station also shielded by a hardtop, and all rigging led back to the cockpit. Movement on deck is easy and safe, the new set of sails in onyx black are dedicated to true performance on this PRIVILEGE, while the side decks and aft platform invite nautical pleasures. The small family lives aboard and continually optimizes and meticulously maintains their boat; in short, when lead times for new builds are long and prices soar, KALMAHE is definitely the opportunity for future owners to take possession of a recent and accomplished PRIVILEGE!

Limitation of liability : XBOAT presents the details of the boat as supplied to us by the owner.
