Owner's Comments

DUFOUR 40 PERFORMANCE, year 2004. Complete refit in 2024. Very meticulous owner, The Dufour 40 Performance, a sailboat in excellent condition, is ready to welcome its new owner. A major refurbishment has been carried out, ensuring an impeccable overall appearance. It is perfectly equipped for sea voyages, notably thanks to its two 165 W solar panels, installed on a stainless steel arch, and its high-capacity PAC battery. This sailboat features three double cabins and two bathrooms, as well as a black water tank. Its navigation electronics are complete, including VHF, AIS, radar, and plotter. It is powered by a well-maintained 55 hp Volvo engine. Under sail, the Dufour 40 Performance proves to be a fast and responsive cruiser, offering great sailing sensations. Its long keel and increased sail area contribute to its exceptional performance. A viewing is possible by appointment.
