Lagoon 52 S - 2017

https://www.xboat.uk/6430-LAGOON_LAGOON-52-S.html

Main datas

Builder : Lagoon
Year : 2017
Length : 15,85
Draft minimum : 1,50
Hull : Catamaran
Area : France Med
Berth details :
Flag : France

Subtype : Pleasure
Architect : Vplp design
Material : GRP
Beam : 8,74
keel : Centerboard
Life Raft : No
Mooring : No
Leasing in progress : Yes

Engines

Model : 4H80
Montage : In Board (IB)
Power Unit. (CV) : 80
Hours : 4140
Fuel capacity : 1000

Brand : YANMAR
Fuel : Diesel
Engine(s) : 2
Owner's Comments :
Drive : Saildrive

Facilities

Sailor Cabin : 1
WC : Electric
Helm : No
Double Cabin : 4
Head : 4
Berth : 10
Flybridge : No

Electronics

Radar details :
Pilot details :

Spinnaker : No

Major equipment

Stern thruster : No
Group and thruster details :
Charger and AC details :
Black Water : Yes
Tender : Yes
Details :
Bow Thruster : Yes
Marine Gen. : Yes
AC : No
Hot water : No
Flaps : No
Tender Engine : Yes

Appliances

Freezer : No
Microwaves : Yes
Electric stove : No
Heating details :
Dishwasher : Yes
TV : Yes

IceMaker : No
Oven : Yes
Gas stove : No
Heater : No
Washing machine : Yes
TV antenna : No
SAT-TV : No

Owner's Comments

The Lagoon 52S is an ideal version for short-handed sailing: no flybridge but a protected helm station, easily accessible from the cockpit, with a sunbathing area on the hardtop. SAN CRISTOBAL is a particularly well-executed Lagoon 52 S, designed and optimized for long-distance offshore cruising. This 17.30 m catamaran stands out for its extensive equipment, remarkable autonomy and numerous upgrades designed to sail far, for a long time and in complete peace of mind. She has just returned from a magnificent family round-the-world voyage, in complete safety and serenity... Her configuration of 5 cabins with en-suite bathrooms, plus a skipper's cabin, offers excellent onboard living comfort, complemented by a spacious panoramic saloon, a fully equipped galley and generous outdoor spaces. Her offshore equipment is exceptional: two watermakers, 2,780 W of solar panels, two wind generators, an ONAN 17.5 kVA generator, reverse-cycle air conditioning, a complete B&G electronics suite, radar, a FLIR thermal camera, dual independent autopilots, STARLINK and Iridium communications, not to mention an extensive stock of spare parts and tools. With her two 80 HP Yanmar engines, her complete sailing rig and her numerous safety features, SAN CRISTOBAL is a true offshore cruising boat, proven and remarkably prepared for major ocean crossings. A great opportunity for demanding sailors wishing to fulfil a round-the-world dream without having to carry out the major installations required for such a programme. There is an ongoing lease agreement, which can be particularly attractive for a European buyer.
