Technical Details

The Centurion 32 is a cruising sailboat designed by the renowned shipbuilder Wauquiez. This boat is renowned for its robustness, performance, and comfort, making it an ideal choice for demanding sailors who prioritize safety.

Main Characteristics:

- Overall Length: 9.75 m
- Beam: 3.05 m
- Draft: 1.50 m
- Displacement: 4.5 tonnes
- Main Sail Area: 24 m²
- Genoa Area: 20 m²
- Staysail Area: 12 m²
- Spinnaker Area: 50 m²

Construction:

The Centurion 32 is built with polyester, featuring a sandwich hull and a marine plywood deck. This construction ensures great rigidity and good resistance to impacts, while providing excellent thermal and acoustic insulation.

Performance:

This sailboat is equipped with a high-performance sail plan that delivers optimal performance in various wind conditions. The Centurion 32 also features a bronze rudder and a bronze keel, ensuring excellent maneuverability and precise steering.

Comfort and Livability:

The interior of the Centurion 32 is spacious and well-designed, offering great comfort for long cruises. It has 6 berths distributed in two double cabins and a forward cabin. The galley is well-equipped, and the saloon provides a pleasant living space with a chart table and comfortable seating.

Safety:

The Centurion 32 is designed to provide great safety at sea. It is equipped with numerous safety features, such as liferafts, life jackets, and a leak detection system. The robust hull and solid deck offer optimal protection against adverse weather and impacts.

Engine:

The Centurion 32 is generally equipped with a Volvo Penta 20 HP diesel engine, offering good range and moderate fuel consumption. This engine is reliable and easy to maintain, ensuring a serene and hassle-free navigation.

Electronics and Navigation:

The Centurion 32 is equipped with all modern navigation instruments, such as a GPS, compass, anemometer, log, and depth sounder. These equipments allow for precise and safe navigation, even in difficult conditions.
