Comments : On deck, as inside, the Antarès Series 9 is committed to your well-being and warmly welcomes you for a family cruise. Whatever your program, the Antarès 9 Series meets your requirements: large cockpit for fishing, luxurious fittings for cruising, choice of engine for speed. Logically, this is a truly versatile boat, with the guarantee of robustness and quality for which the Antarès is known.

This 2006 model is equipped with a 320 CV NANNI Diesel engine, an offshore equipment (bib 2017 to be revised) and a GARMIN sounder with GT21 fishing probe for amateurs.
It can be used at sea or in port (recent complete cockpit cover, new custom-made saloon table in addition to the original table, TV antenna, speaker cables, preinstalled VMC ...).
Provide 2021 fairing and possibly polish of the blue hull.
Price negotiable depending.
